- REPRODUCTIVE RIGHTS &
ABORTION CONFERENCE**
8 -9 AUGUST 2024

Over two days (August 8 & 9) the 2024 conference will explore the theme:
ACTION FOR ACCESS

The conference will offer delegates plenary and breakout sessions organised around the streams of Access, Clinical, Innovation, Justice and Storytelling.

Be part of the conversation.

Submit an abstract to present at our upcoming conference. As professionals, clinicians, advocates, and consumers, our shared goal is to actively contribute to a world where access without barriers to healthcare becomes a reality. In the face of a disrupted environment, the Reproductive Rights and Abortion Conference serves as a pivotal platform for collaborative action and knowledge sharing to propel sexual and reproductive rights forward.

Ticket Pricing

New tickets available!

We are excited to introduce two new add-on ticket options to make our conference more inclusive. Besides the usual tiers we've had in the past, this new level is allocated for First Nations Health workers and individuals under 25 specifically.

Please note that the networking evening event is NOT included with conference registration.

| | Ticket Type | Price* |
|------------------------------------|---|----------|
| FULL CONFERENCE REGISTRATION | Early Bird (Ends 21 April 2024) | \$699.00 |
