Oral Presenter Guidelines

Thank you for presenting at RRAA 2026. This guide has everything you need to prepare and present with confidence. Please read it carefully before the conference.

KEY DATES AT A GLANCE

Milestone	Date
Presentation slides due	1 August 2026
Conference dates	3–5 September 2026

PRIOR TO THE CONFERENCE

- Submit your presentation slides to events@childrenbychoice.org.au by 1 August 2026. Please also notify if you DON'T have any slides for your session by this date so we can make note.
- Please refer to our language guide wherever possible and ensure terminology is inclusive, respectful and trauma-informed.

HOW THE SESSIONS WILL RUN

- There will be two session blocks each day. Each block will run across three breakout rooms.
- Each presentation must be a maximum of 15 minutes. Please plan your presentation carefully so you finish within your allocated time.
- At the end of each session, there will be a 10 minute Q&A with all speakers from that session.
- A Chair will be allocated to each session to support timekeeping, introduce speakers, manage questions, and help ensure the session runs smoothly.

BEFORE YOUR SESSION

Please do the following before your session starts:

- Meet your session Chair 10 minutes before your session, in your allocated presentation room. Confirm your title, name pronunciation, current role, and time allocation.
- The Chair will deliver the Acknowledgement of Country at the start of each session – you don't need to do this.
- If you need to update your slides, email events@childrenbychoice.org.au, visit the registration desk or CbyC stall. We will endeavour to assist where possible, but changes cannot be guaranteed.

DURING YOUR SESSION

The Chair will manage timekeeping using laminated time cards. Please respect the time limits, finishing on time ensures all speakers get their full allocation and allows Q&A to run properly.

- You will receive a 5-minute warning and a 2-minute warning.
- If you have not finished when time is called, you will be asked to wrap up immediately.

AV AND EQUIPMENT

- All rooms have a computer and multimedia projector.
- Internet access and additional equipment are not available by default — request these in advance if needed. Requests are subject to availability.

AFTER THE CONFERENCE

- Your presentation will be made available to attendees online after the conference.
- If your content is under embargo or cannot be shared, please let us know as soon as possible at events@childrenbychoice.org.au.
